

# Internship

Are you looking for a unique and exciting internship opportunity? The Center for Aquatic Mollusk Programs has several internships available for the summer of 2026!

Become scuba certified and help our field crew monitor freshwater mussels across the state of Minnesota!

Help our lab propagate native freshwater mussels and restore their populations!

To apply for the survey or propagation internship positions, search “mussel” at <https://mn.gov/mmb/careers/search-for-jobs/>

**(application opens January 2<sup>nd</sup>)**

To learn about our program and native freshwater mussels visit [mndnr.gov/mussels](http://mndnr.gov/mussels)
