RABBIT BREEDING

To be judged on proper grooming and handling of any rabbit, according to project guidelines.

Any rabbit that was bred by the exhibitor.

Doe & Litter (Babies must be 6 to 8 weeks of age.)

MEAT PEN (3)

Meat pen – 5 lbs. maximum and not over 10 weeks of age. (Must be same breed and variety, but need not be of the same litter).

FUR

These classes only look at the wool or fur (on the rabbit). The rabbit is judged in one of the above classes for body type, etc.
