Cory called the meeting to order at 6:00pm.

Minutes: Cody Ream did not bring the minutes from the last meeting.

Finance Report:

As of today, checking: \$17,175.70

Sound system: \$4,674.73

Restricted (Awards): \$6652.54

Checking Outside Other: \$5,848.43

Judi moved to accept the finance report, Jack seconded.

Old Business:

Awards: everything is good, all set for fair.

New Business:

Pavilion setup

- 1. Motion:** Jack moved to change the pavilion set up for fair this year. Show ring in the middle, pigs on south side, lambs and goats closest to show ring, and beef on the north side.

Discussion: The superintendents met today and changed how they wanted things set up. Leslie went back in the minutes and read from the February 5th minutes: that anyone wanting to change the current pavilion set up needs to measure and come with a proposal to vote on, for the March meeting. Those minutes went on to state that Cody said it had to be done now, not a week before fair. Then in the March 5th meeting it states that any changes to the pavilion set up were not brought forth that day, so it would stay the same as years before. Why do we make a plan, then don't follow what is in the minutes? Mike said it is hard to decide until they came and looked today.

Motion was seconded by Mardi

Disposition: Motion was passed by voice vote

Special Items:

Food for the sale is all set.

Scale update (B&L Scales coming July 22nd)

Next meeting is set for: September 5, 2024

Items for next meeting:
