THANK YOU TO ALL OF THE 4-H & FFA FAMILIES FOR ALL OF YOUR HELP THROUGHOUT THE PROJECT AREAS AND DURING FAIR WEEK!

What an incredible **2026 Big Sky Country State Fair!** From project interviews, to the first trailer that pulled in, to the last pen that was torn down, this week was powered by hundreds of youth, families, volunteers, buyers, sponsors, and community members who gave their time, energy, and heart to make it all happen.

This year we welcomed **358 Gallatin 4-H & FFA** youth exhibitors competing in over 50 different project areas. We had a record-breaking **422 lots** sold through the Market Livestock Auction, generating more than **\$1,477,588 million** (after add-ons) in support of youth livestock projects. The overwhelming support from our buyers and community continues to create opportunities that last far beyond fair week. Our Indoor Exhibit Building was filled with outstanding static projects, highlighting youth creativity and craftsmanship. The Indoor Silent Auction was the largest we've ever had, expanding to four full tables of items up for sale to support our talented youth.

To every exhibitor who put their hands in the dirt and their heart in the work this year - THANK YOU for representing 4-H and FFA with pride, responsibility, and determination. We couldn't be more proud of what this community accomplished together. Until next year...
