

2026 Stillwater County Breeding Animal Verification Form

Due May 1st by 5 PM. Please submit one form per animal

Photo Instructions- Include **TWO** color photos of your breeding animal. One side photo showing any distinguishing marks, as well as one from the top OR front that show your animals tag number/tattoo.

General Rules

1. All breeding animals and/or substitutions must have been in the member's possession by **May 1st**.
2. **Breeding Animal Validation forms are required and must be submitted to the Extension Office by May 1st.**
3. A champion may be selected in each of the age classifications, all breeds included, if the quality merits. This is entirely up to the judge's discretion.
4. **Up to FIVE animals may be entered in each division.**
5. **Breeding animals may be advertised for sale at the fair and sold by private treaty only.**
6. Breeding animals will be shown in the ring.
7. See dress code under Livestock Rules.
8. Explanation of awards: awarded by overall male and female per division.

For full fair rules, please see the 2026 Fair Book.
