

Bret Wanken 4-H Memorial Fund

This fund is comprised of proceeds from the sale of Bret Wanken's 4-H steer at the Marias Fair in 2009, along with donations from other generous individuals and businesses. This fund was established to help 4-H youth from the five 4-H programs in the Marias Fair (Glacier, Liberty, Pondera and Toole Counties and the Blackfeet Reservation) attend 4-H leadership trainings. The goal of this fund is to help you develop leadership skills and share them with your fellow 4-H'ers.

Please email this completed form to your Extension office BEFORE the registration deadline for the training you wish to attend.

Please be sure to send a Thank You to Bret's family. They appreciate knowing what you learned and how. Mail Thank You's to: Bret Wanken Family; PO Box 571; Shelby, MT 59474.
